PUBLIC NOTIFICATION ON CHUNIPA LOSAR

In view of the current wide spread COVID-19 outbreak in the country and considering the highly infectious nature of Omicron variant, the DC19TF would like to inform the general public of the Dzongkhag that during the Chunipa Losar on February 2, 2022, activities such as outdoor picnicking, mass gathering and playing of games and sports are strictly prohibited. Those celebrating the Losar must confine the celebration within the family members of the same household.

The general public are urged to follow COVID related safety protocols at all times and maintain utmost vigilance always. The Gups and GAOs are directed to conduct strict monitoring of the common picnic and leisure spots in their respective Gewogs to ensure compliance to this notification.

Wishing everyone a Happy Chunipa Losar. Celebrate Responsibly!
