

SDA/DC19TF-02/2021-2022/1964

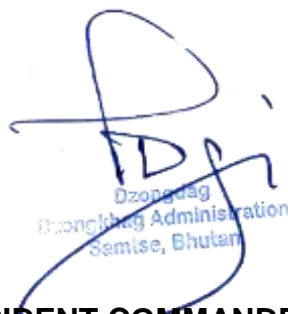

February 26, 2022

NOTIFICATION ON EXTENSION OF LOCKDOWN IN TADING GEWOG

This is to notify the general public that with the continuous detection of COVID-19 positive cases from the community and upon the recommendation of Technical Advisory Group (TAG) of MoH, the lockdown in Tading Gewog is, hereby, extended to conduct testing and risk categorization of the areas in the Gewog. The mass testing for Tading Gewog is scheduled from February 27-28, 2022 and based on the outcome, subsequent relaxations/restrictions will be notified.

During the extended lockdown, the measures notified via notification no. **SDA/DC19TF-02/2021-2022/1931** dated February 13, 2022 shall continue to be in place until further notice.

Issued for strict compliance.
